23 JANUARY 1979

ADAG INC: Is an OOT Publication, associated with a Diplomacy organizations. It is solely the responsibility of Harold(Hal)Naus, 1011 Barnett Ave, Chula Vista, Ca; 92011(714)420-4237;... There are no openings for any new games, in fact I would appreciate it if the magazines that carry such lists would take ADAG of it list.

CHAPTER-11. THE LOVES OF JORLISS ARCHER

In the last chapter the hero had finally overcome the outrages demands of the bureaucracy by successfully completing all the papers that they had demanded of him, so at last it looked like clear sailing for our fair haired hero, when up jumped King Bureacracy and said pentalty... you have completed step one, now step number two will take six(6) to eight(8) weeks... so somewhere around the second week of February we will find out if step two will completed. At that my dear friends is where I now stand... still awaiting.

BIG BROTHER

An open question to Walt Buchanan, Rod Walker, Conrad VonMetzke, if DW is supposed to be the official organ of the Diplomacy World, then why do you consistently ignore that Mr Charles Reinsel and Big Brother exist and have been consistently for the past five years, yet you wouldn't know it by reading DW...WHY?
